## Musical Dice Game

K. 516f

for 1 - 8 Player(s)

It is told about Wolfgang Amadeus Mozart that he was passionate about games. That's why the invention of a musically dice game is attributed to him. With his memory game a 32 bar waltz-theme for piano could be composed.

The following 32-bar original version is arranged for flute.

Mozart wrote: This game is an instruction «to compose without the least knowledge of Music, German *Walzer* or *Schleifer* by throwing a certain Number with two Dice».

### How to play

At a time eight bars of a waltz-melody are twice going to be composed. Therefore you need two dice and the attached number tables. The first roll applies for the first column, the second roll for the second column, the third roll for the third column and so on.

If you total the pips on the two dice, you will get the line of the number table, where the bar's number can be found.

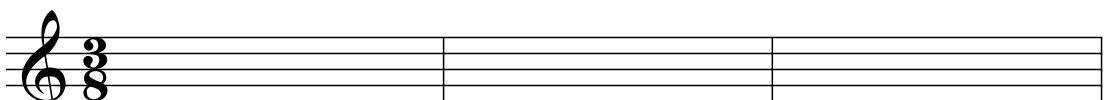

For example, you count 10 pips on your third roll. Then you have to look up the bar's number on the third column in line 10, which is bar number 85.

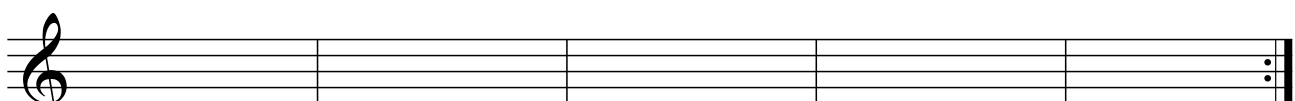

Bar number 85 can now be found in the attached sheet music table on page 3 and 4. Like the memory game „I Packed my Suitcase“ each player has to recapitulate by heart all bars which are played before and add the new one. You are now playing the theme with the flute from the beginning to the last diced bar with repeating eight bars each time.

The image displays a sheet music table for 'Dice Game II', page 4. It consists of 44 numbered measures of music, arranged in eight rows of five measures each. The notation is written on a single treble clef staff with a key signature of one sharp (F#). The music features a variety of rhythmic patterns, including eighth and sixteenth notes, rests, and trills. Measure 4 includes a trill marked 'tr'. Measure 16 features a slur over two notes. Measure 21 has a sharp sign above the staff. Measure 28 has a sharp sign below the staff. The piece concludes with a final measure (44) that ends with a double bar line.
